

Carlton Meadow Skate Park consultation 22nd January 2018

Attendance: Simon Walker – Waveney Norse, Matt Stebbings – Sentinel Trust, Ian Castro – IMPACT – Jill Tyler CCTC, Phil Designer & Karen Engineer Bendcrete, Jess Skateboarder, Ryan George Skateboarder, Barney Skateboarder, Paul BMX, Max (Child) Scooter input, Melanie Vigo Di-Galidoro SCC

Apologies – Chris Ames

Bendcrete introduced the design elements of the skate park – flowing in a circular motion with a plaza feel.

Suggestions were given around slight tweaks to the design by the skate boarders around the rail BMX were considering that it suited all ages and abilities

Scooters representative thought it had a good flow and trick areas were identified

Lighting was discussed but was thought that it would be very expensive to get to the power supply and also proximity to housing it will go in without and assessed.

Safety of the area was discussed about awareness of scooters versus skateboarders

It was agreed to push it more into the corner to allow for future development.

Some of the existing equipment to be reused if come out in one piece to be used along the edge

55 CIL money (+4300 to go towards WREN's funding if successful)

45 Town Council

100 total

20 shortfall

Town council will guarantee that we will deliver the project until other monies comes in – email Simon Walker to email to confirm
