

## **Chairman's annual report for April 2021 – March 2022**

This has certainly been another challenging year with various restrictions forced on us meaning some of our plans were on hold from last year.

We were back to face to face meetings and thanks to Carlton Colville Primary School for allowing us to hold them there.

We continue to collaborate with others to resolve concerns of the residents and strive to improve our locality. We are still running successful community engagement meetings with groups within the parish such as Scouts, Brownies, Allotments, Schools, and Community Centre, Doctors which have proved very successful and much has been shared and achieved particularly with regard to the upcoming planned jubilee celebrations.

We are concentrating our efforts on ensuring that Carlton Colville Community Centre is successful and offering ideas and assistance for a new booking system etc

### **What we have achieved**

Hanging Baskets were back

A huge start has been made on the wonderful Community kitchen and Wildlife garden at The Graylings

The Neighbourhood Plan has got to Regulation 14 stage and is currently out for public consultation

We have purchased new and replaced damaged waste bins

Community Litter Picks

IMPACT continue with great work supporting the young people out in the community

### **Our Planned projects for this year include**

The Queens Jubilee Fete and Picnic 2<sup>nd</sup> June 2022 at the Community Centre

Jubilee Mugs to be given to each child at Carlton Colville Primary School, Everitt Academy, Grove Primary School and Carlton Colville Pre-school.

A Queen's Jubilee Bench at Rounces Lane

Deepdale play area refurbishment

Investment in other play areas across the parish

Children's activities at Carlton Colville Community Centre in August

Chasing the crossing point on Beccles Road to the Suffolk Wildlife Trust

### **Business as Usual**

Good working relationships continue with our District and County Councillors, Waveney Norse and neighbouring parishes

Provision of Christmas Tree and Lights

Facebook page and Website

Planning applications

Allotments including grant applications

Opening balance 208723.06

Closing balance 222236.18

Total Expenditure for the year £55010.88

Total Income for the year 68524.00

Thank you to the IMPACT team for their continued hard work and support with the local youth

Wishing the Transport Museum a successful year with visitors and their proposed continued expansion plans.

Thank you to David Peek chair of the Allotments for his work in the community.

Thanks for all the continued support of my Vice-Chair Jill Tyler and town council members.
